

Dear Parents and Guardians,

On Monday, September 19th grade 10 and a select number of grade 11 students who need to write the OSSLT (Ontario Secondary School Literacy Test) this year will be completing a mock test. The mock test will take place during school hours and will not interfere with transportation. .

All students in the Ontario program must complete the OSSLT to graduate with an Ontario Secondary School Diploma. This mock examination is very important as it is the first step in a six month process of test preparation that will be commencing at the beginning of October.

This is a 3 hour test and students will be given a break to eat their snacks.

An email to further explain the OSSLT will be sent to you this week, in the meantime please feel free to browse through the following website to familiarize yourself with the OSSLT (available in English).

Thank you for your attention and support with our test preparation procedures.
